Some Exciting Information

It is with great anticipation and excitement that we announce that the Friends of Corpus Christi is beginning to roll out some $100,000 worth of work on the church this construction season. This will include more permanent repairs on the north aisle roof, masonry work, and paint and plaster work. Most importantly, work has already begun to explore our 1902 basement drainage systems so that we can address recurrent water issues around the church foundations and in the church basement. We'll keep you informed as work progresses.

Honoring a True Supporter

On Monday, March 30 at 5 p.m. in our Social and Athletic Hall we would like to Honor and Thank David Franczyk for all the dedicated help he has given to Corpus Christi Church over the years he served as Councilmen. Just for the time the Pauline Fathers were here, Mr. Franczyk has help fund many projects. From the repair of our Handicap ramp, to replacing broken windows, to the huge conservation of the Mazor paintings in the Social and Athletic Hall, we owe a great debt to him for his help. Come be part of this recognition. A light reception will follow.
