Catholic Charities

It doesn't have to be overwhelming for parents and caregivers of a child who is struggling in multiple areas, or has chronic physical and mental needs. Catholic Charities can help parents and caregivers keep up with and address those needs. Our Care Managers for the Encompass Children's Health Home can help parents or caregivers and their child with an ongoing planning process that wraps services around the child and family. Care Managers across Western NY ensure the child gets appointments with doctors, dentists, mental health providers and specialists; links the child and family to others in similar situations for support; and provides other support and guidance. To help Catholic charities continue this ministry to children and their families in need please support the 2018 Catholic Charities Appeal.

Please remember to send in your donation, drop it into the collection, and see Henry Bernat after Mass, or stop by the office.

Lenten Prayer for Sundays during Lent

Heavenly Father….

As I enter another week of my Lenten journey, guide me to the path that leads to you. Fill my heart with gratitude, patience, strength, and peace as I strive to become the-best-version-of-myself, honestly admitting my shortcomings and sins.

As I renew my resolve each day to become a better person, let me hear your voice in the deepest reaches of my heart. Give me rest in you.

Help me to accept others, showing them your great love instead of casting judgment.

Stay with me through the busy days this week and remind me that when I need comfort, solitude, wisdom, or guidance, I can always turn to you.

Help me develop discipline and generosity through fasting and almsgiving, and come closer to you through prayer this Lent.

In your name I pray, Amen.
