Updating Our Records

We would like to encourage anyone attending Corpus Christi to update their Email address with the parish. Even if you don't think it has changed or if you know it has & just haven't notified us, or maybe just decided to get one; please write it on your envelope or on a paper that includes your name and address and drop it in the collection basket. All names and numbers given to the office are always confidential and never sold or passed on in any way.

Always Room

Even though planning is now underway for the 2014 Dozynki Festival there is always room for your input, ideas and service. We are always looking for those special people who are committed to making a difference and there is a ton of you here in our Parish. The next meeting is__ at the Kolbe center, come be part of something bigger than yourself, or give us your ideas. We've asked for weeks and nothing has made its way into the office. Don't fester make your voice heard.
