The “Traveling” Picture of Divine Mercy

In today's world, the Grace and Mercy of our Lord Jesus Christ is very much needed and often we forget His Divine Love For us. Jesus wants us to receive His Mercy, be strengthened by His Grace, and learn to live in His Divine Love. One way to achieve this in a way pleasing to our Lord is to venerate the image of Divine Mercy which was given to St. Faustina in a vision in 1931. Would you like to host the “Traveling” Picture of Divine Mercy in your home? Father Michał would like to invite families of our parish to bring home this beautiful picture and to pause each day to recite and remember the Divine Mercy Chaplet, each evening about 6:00 pm with your family. The picture would remain with you for one week to be returned and passed on to the next Family the following Sunday. Please contact the office at 896-1050 to be placed on the list and to schedule a week.

Remember Mary

Say the rosary. May is set aside to Honor Mary the Blessed Mother of Jesus Christ. We Honor her with the crowning of the statue outside. But every day we can very quietly show our love to her by reciting the rosary. Say it each day and it may become a habit. Do you remember how special you felt when someone noticed you were wearing a pin with the image of Mary on it, especially if it had a blue ribbon on it. You could still do that.

In Need Your Help

There is a gentle Family in East Aurora who would like to donate a refrigerator to our Social and Athletic Club. (It

would be very helpful to have one on the first floor) We are in need of someone with an appropriately sized vehicle to bring it our building. Help can be arranged so that you wouldn't be the only one lifting it, but we need assistance with the vehicle. Please call the office at 716.896.1050. So we can arrange for pick up.

Catholic Charities

Victoria Marah,* from Sierra Leone, is one of the top performing students in her school district. Victoria attributes her success to the meals provided at school thanks to the generosity of the American people. Victoria's story is just one example of how 1% of our nation's budget which makes up international assistance does a world of good. Urge Congress to protect international assistance so students like Victoria can thrive! *not her real name

Food For Thought

For sailors, a lighthouse offers guidance through dark seas, taking them safely back into the harbor and to their homes. What do you use to guide you? What is your lighthouse? Today's scripture readings offer good direction as to how we can better navigate through life. Among all the things we can turn to for guidance in our daily lives, there is only one sure guide – God. Like the lighthouse for the sailor, we can depend on the light of our faith to guide us to our right destination. Through personal prayer, reading the Bible, and especially being part of a faith community, we can find God's light, His loving care and counsel to lead us. Look to God as your beacon of hope. He will lead you to a fuller life, both now and into eternity. He will always be there as your guide.
