Buy a Piece of Corpus Christi !

We've saved a number of the original slate tiles from the replacement of the pitched roof a few years ago to be used as keepsakes. These are the same tiles which were used to cover the church 110 years ago.

Now the lower flat roof is in need of repair. In exchange for a donation of \$25 or more, you will receive a portion of the original slate from the upper roof in a special wooden box. Your assistance will help protect the beautiful interior and exterior of our historic sanctuary, and help ensure that future generations have the opportunity to worship in the same church we love so much. These limited-edition mementos are available after each Mass, or in the office.
