

**Save a Saint**

St. Joseph, The Foster of Father of Jesus, Patron of the Diocese of Buffalo, families, fathers, expectant mothers, travelers, immigrants, house sellers and buyers, craftsmen, engineers, of all laborers and the Universal Church. Three years ago, we discovered a historical image of St. Joseph in the basement of the church,

measuring 6x2 ft, in dire need of repair. This sacred image depicts St. Joseph and the child Jesus, reminds us of how our history is interwoven with that of the Franciscan Sisters of St. Joseph. The Sisters came to Buffalo in 1898 to teach at Corpus Christi School and have served the diocese ever since. The spiritual life of Buffalo has many roots in our humble, beautiful Parish. You are invited to help SAVE A SAINT.

With your support we can repair this piece of art and history so that more faithful can be inspired to pray through the intercession of St. Joseph, and remind us to be rooted in Faith, and those religious who have made the path of faith accessible to us all.
