### Attendance and Collections

#### February 10<sup>th</sup>, 2019

5:00 vigil	17 people	\$ 197
9:30 Sun	58 people	\$ 1104
11:00 Sun	56 people	\$ 538
Maintenance & Repair		\$ 240

The **Fuel Fund** envelope is included for this this week and/or for next. We need your serious commitment to this Fund. When he was here, Father Dymek reinforced that we need \$33 per family each month, that need did not change and the decreasing numbers in that collection have become serious. We urge each family to take the responsibility of taking care of God's house and increase your contributions to the Fuel Fund.

### Reflection

Today's readings shows us that those called to do God's will don't always feel up to the challenge. Isaiah, Paul and Peter all express some sense of inadequacy, accepting that they don't measure up to what God wants. But here is the key lesson. They all take the risk and willingly embrace God's call, giving whatever they have. Because they know God is with them as they turn in a new direction to follow Him. We may not be called to make such radical changes as quitting a job or moving to another country for God. But He does constantly call us to change, to continuously improve – to follow the example of Jesus and give of ourselves for the benefit of others. Don't be concerned that you may not measure up to what God wants. Break out of your comfort zone and answer His call. Rest assured that when God calls, He will be with you.
