**CORPUS CHRISTI PROCESSION**

We extend a big thank you to everyone for their help and participation in our Corpus Christi procession last Sunday, June 6th. Especially big **THANK YOU** to all who helped prepare the beautiful altars. Also, sincere gratitude to ushers, lectors, altar servers, organist, choir, volunteers, and all parishioners for coming and honoring Our Lord Jesus in the Blessed Sacrament through this beautiful manifestation of our love, reverence and devotion for the presence of Christ in the Holy Eucharist.

**Ready for Renewal?**

The Diocese of Buffalo has embarked on the Road to Renewal that began with a planning phase last August. Since then, a great deal has taken place to help prepare our Diocese for much needed renewal and revitalization. Over the past month, Rev. Bryan Zielenieski, Pastor of St. Mary in Swormville, and Vicar for Renewal and Development, has been meeting with parish groupings sharing with priests, deacons and lay leaders the vision and work that the renewal entails. Because it is important for all parishioners to be aware of the Renewal work at hand, Fr. Bryan will help keep everyone up to date with bi-weekly updates regarding where we are in the process. The Renewal offers creative ways to respond to changing trends in our church, while addressing and responding to the needs of parishes. Visit [www.roadtorenewal.org](http://www.roadtorenewal.org) for the latest updates and to stay informed about the Diocese of Buffalo's Road to Renewal.

**FATHER'S DAY ENVELOPES**

Parishioners will find in their recent packet of envelopes an envelope for Father's Day. Please place the name of your father, living or deceased, put your offering in the envelope and place in the weekly collection or forward to the rectory. All fathers will be remembered in special Father's Day Novenas.

**Sanctuary Lamps**

Corpus Christi is experiencing a variation in practices. For several years there have been many Mass intention openings, people seem to be requesting more Masses. For years Sanctuary Lamps have always had intentions. This year our Sanctuary Lamps have many open intentions. Please use this opportunity to honor or remember a cherished individual or event. Call the office for openings.

The sanctuary lamp, also called a chancel lamp, is placed before the tabernacle in a Roman Catholic Church as a sign that the Blessed Sacrament is reserved or stored within.

**Parish Photos, Videos, and Updates Online**

Every day, you will find new information about our parish events, photos, and videos on our Facebook Page, "Corpus Christi Buffalo". Please "Like" it to receive updates, and ask friends to like as well. You [CorpusChristiBuffalo.org](http://CorpusChristiBuffalo.org) ...and we also have a YouTube Channel called "Corpus Christi Church Buffalo" where you can see parish videos, and subscribe to receive notifications whenever a new video is uploaded. Thank you for sharing all of these Social Media channels with family, and friends !

**REMEMBER** Corpus Christi Church in your will. Making out, or updating your will is a good thing to do as things change in our lives more quickly than we realize. Please consider the invitation to remember St. Stanislaus Parish in your will. A bequest to the parish will be a strong statement of your appreciation of the ministry of the parish to you and help to continue that ministry to other long after you have "gone home to the Lord."

**Door opener for the handicapped**

To accommodate our friends and parishioners experiencing a handicap, or are wheelchair bound, we would like to install an electronic door opener on the front, south side entrance door that already has the handicap ramp. Because Corpus Christi Church is an historic landmark, the 2 inch wood doors would NOT be replaced because of our landmark status and the opener would be responsible to open and close this heavy weight door at a cost of \$5,650. This would include necessary electrical work that also needs to be done to prepare for the installation of the openers.

As in the past, we are looking to you and your family for your generous donation that will help offset the major cost of this electrical door opener. You and your family will be remembered during our Holy Mass celebrating 9-day Novena to Our Lady of Czestochowa in August, 2021. Please place your gift into an envelope marked "DOOR OPENER" and either send it directly to the rectory or place it into the collection basket.

**Ringling the Bells**

The primary purpose of ringing the church bells in today's world times is to remind worshippers to gather for a church service about to begin. In Christianity, the bell is said to represent the "voice of God". Traditionally, they are used to not only call worshippers to the church for a communal service, but also to announce times of daily prayer. Before modern communications, church bells were a common way to call the community together for all purposes, both sacred and secular.

Here at Corpus Christi Church we own three bells. The bell of Saint Anthony (1,500 lbs.) is our largest bell, the bell of Saint Francis (1,000 lbs.) and the smallest of Saint Hyacinth (750 lbs.) One of our loyal parishioners, Martin Ederer maintains our bells. We thank him for his efforts in our behalf.

We are offering to anyone interested, a special opportunity to ring one of our tree bells, and call our parishioners to Mass. This happens 5 minutes before Mass. So if you are able to climb 2 flights of steps and would like to pull on the ropes, and become a members of our Bell Club, please see one of our ushers, or call the office at 716-896-1050
