Statement of Bishop Michael W. Fisher on Guilty Verdict in the Murder of George Floyd

“The verdict of accountability in the tragic killing of George Floyd is an important step in healing the deep wounds of racial tension caused by his senseless killing. The agonizing images of his confrontation with those sworn to protect and serve, and the final moments of life, will forever challenge us and must always compel us to create a more compassionate and just society, where all enjoy equal rights and protections under the law. I implore all who wish to demonstrate to do so peacefully and in ways that lead to greater understanding, dialogue and meaningful change. We pray for the family and community of George Floyd that our loving and compassionate God will ease their pain and provide them comfort.”

It All Adds Up!

Please consider participating in our Mother's Day Basket Raffle. Tickets are 6 for \$ 5 and are available in the back of church before and after Mass. The drawings will be on May , just in time for that special day. Take a look. We are able to make

some profit on each raffle and sale. We put it away for one of our projects and before you know we have accumulated enough to pay for our parking lot. Please help.

Once Again

We would like to extend a sincere Thank You to our Parishioners who bought and sold 50/50 Tickets, raffle tickets, soup, masks, and other things we were selling or raffling in the back of the church. You made things happen. Our newly repaved parking lot is a fine example. We also would like to Thank those loyal volunteers who work to bring the sales and raffles to you. Thanks to everyone, and we hope you like the parking lot—smooth with bright yellow lines.

Quotas from our Altar Servers

I have been an altar server for many years now, and I always love being up near the altar helping the priest celebrate the most important sacrifice ever made. It is a way I can help people receive the graces of the sacraments and so honor God by participating in a small way in His Divine Plan.

John Paul Haseltine

Altar serving is important to me because I feel it is a good way for me to serve God and the Church. In Mass, the Creator of the Universe is right there in front of me, and it is an honor to be that close to Him. By being reverent and serving at Mass, I can help people receive the Eucharist which is the closest to God they can be in the world.

Michael Haseltine

I like altar serving because I feel close to God and by serving reverently; I can help people understand how important the Eucharist is.

David Haseltine

I would like to become an altar server because I am able to see and understand the Mass better. I like helping and serving Jesus by serving at the Mass. If I do it, it can help younger children understand the importance of the Eucharist more.
