From Pope Francis

“and here the first word that I wish to say to you; **joy!** Do not be men and women of sadness: a Christian can never be sad! Never give way to discouragement! Ours is not a joy born of having many possessions, but from having encountered a Person: Jesus, in our midst, it is born from knowing that with him we are never alone, even at difficult moments, even when our life’s journey comes up against problems and obstacles that seem insurmountable [...] he accompanies us and carries us on his shoulders. This is our **joy.**”
