**Respect Life Coordinator**

We are pleased to announce that Ms. Elizabeth (Liz) Reiser from Kenmore, NY has graciously volunteered to be the Respect Life Coordinator for Corpus Christi Church!

The Catholic Church has always upheld her position of respecting and defending Life from the moment of conception to the end of a natural death.

Unfortunately, the secular news media can make it somewhat confusing at times as to what we as Catholics do and must believe. Liz, our Respect Life Coordinator, will help keep us informed as to what the Diocese of Buffalo is doing in regards to supporting the Culture of Life. Welcome Liz!

**United States Conference of Catholic Bishops Fact Sheet**

Statement: “But polling shows most Americans support Roe v Wade!”

**Fact:** Most Americans do not understand how extreme the *Roe v. Wade* and *Planned Parenthood v Casey* rulings are. *Roe* and *Casey* both held that even in the last trimester, states must allow abortions for “psychological or emotional or familial” reasons. In effect this means **all abortions** are permitted up until **birth**. (*Doe v Bolton* 410 U.S. 179, 192 [1973]) When people are asked whether they support this, they answer NO. (<http://news.gallup.com/file/poll/235634/180613AbortionTrustesters.pdf>.)

Statement: “Isn’t overturning *Roe* just forcing religion on people?”

**Fact:** When asked if abortion is a religious issue, the Supreme Court has said no. Moral concern about abortion reaches far beyond any one religion, and these laws have the legitimate secular purpose of encouraging childbirth over abortion. The fact that some religions oppose abortion doesn’t change this. “That the Judeo-Christian religions oppose stealing does not mean that a State or Federal Government may not, consistent with the Establishment Clause, enact laws prohibiting larceny.” (*Harris v McRae*, 448 U.S.297 (1980) at 319.)

**MASON CANCELLA**

We would like to extend a heartfelt thank-you to Mason Cancilla for sharing his amazing talent with the parishioners of Corpus Christi Church with his organ playing and his singing! It’s hard to comprehend how many hours you have spent in your lifetime practicing, practicing, and practicing. As an organist, you play the organ not only with both hands, but also with both feet. The melody and harmony you are able to provide is truly a Gift from God! Your playing and singing has truly lifted us spiritually during our Eucharistic celebrations here at Corpus Christi Church. Although you will be sorely missed, we wish you God’s Blessings on all your future endeavors! (Mason’s last day will be October 30.)

**Jolly Rogers**

Seven members from the Jolly Rogers Social Athletic Club are joining us for Mass this morning. This group formed back in the 50s with twenty-five members to start; now there are seven remaining members. Thank you, Art Urbanczyk, for starting your anniversary celebration by attending Mass at Corpus Christi Church. May God continue to bless the Jolly Rogers!
