## What is the Holy Eucharist?

The Holy Eucharist is the greatest of the seven sacraments. The Catholic Church teaches that in the Eucharist, Our Lord Jesus Christ, true God and true man, is really, truly, and substantially, present under the appearances of bread and wine. Our Lord is not merely symbolized by the bread and wine; nor is he present only through the faith of those present. Rather, the two material things, bread and wine, are completely changed into the Body and Blood of Jesus Christ, leaving behind only their sensible appearances. Thus, through the words of consecration spoken by the priest, Jesus, without ceasing to be present in a natural way in heaven, is also present sacramentally, Body, Blood, Soul and Divinity, wherever the consecrated elements are present.

## Why is the Solemnity of Corpus Christi so important?

The Eucharist is the “*source and summit of the Christian life*”. In the Eucharist, Jesus Himself re-presents for our benefit His Sacrifice on Calvary, gives Himself to us in Holy Communion, and remains among us until the end of the age. He comes to us in this humble form, making Himself vulnerable, out of love for each one of us. Yet, as God Himself, the Body and Blood of Christ deserves our utmost respect and love, as well as our adoration. St. Thomas Aquinas wrote the hymn “*Tantum Ergo*” which means “*Down in adoration falling, Lo! the sacred Host we hail; Lo! o'er ancient forms departing, Newer rites of grace prevail; Faith for all defects supplying, Where the feeble senses fail.*”

St. Francis of Assisi said, “*...In this world I cannot see the Most High Son of God with my own eyes, except for His Most Holy Body and Blood.*”

## What is the Corpus Christi procession?

Whenever the Eucharist is exposed for adoration of the people, it is placed in a sacred vessel called a Monstrance, whose clear glass permits the viewing of the Sacred Host. Such Exposition can take several forms, on the altar in a parish, for adoration and prayer, public devotions such as Eucharistic Benediction, and public processions on Corpus Christi, or at other times. In Catholic countries such processions often go throughout the city. The faithful usually sing and pray, all in honor of our Eucharistic King. This practice began in the 14th-century, and it has been promoted by popes, councils, and saints as a wonderful way to show the supreme importance of the Eucharist and the love that we have for Him.
