Queenship of Mary

Jesus is King of the eternal ages by nature and by conquest. Through Him, with Him, and subordinate to Him, Mary is Queen by grace, by divine relationship, by conquest and by singular election. And her kingdom is as vast as that of Son and God because nothing is excluded from her dominion.

For this reason, the Church salutes her as Lady and Queen of angels and of saints, of patriarchs and prophets, of apostles and martyrs, of confessors and virgins; she proclaims her Queen of heaven and earth, most glorious and worthy Queen of the universe, "Queen of heaven," "glorious Queen of the world," "most worthy Queen of the world." And the Church teaches us to call on her day and night in the middle of the sighs and tears which fill our exile: *Hail, holy Queen, Mother of mercy, our life, our sweetness, and our hope!* For her royalty is essentially maternal, exclusively beneficent.

O Mother of mercy, entreat peace for us from God, and those graces which in one moment can convert human hearts – graces which prepare, procure, and assure peace. Queen of peace, pray for us and give the world at war the peace desired by the nations: peace in the truth, the charity, and the justice of Christ. Give them peace from armed warfare and peace of soul, so that the kingdom of God may come in the tranquility of order.
