### Contributions for Insurance

God's Blessing on One and All who have made contributions marked "Insurance Donation" to help pay the balance on the Building Insurance by December 12<sup>th</sup>.

*"Jesus looked at them and said, 'With man this is impossible, but with God all things are possible.'"*

With the balance of \$30,008, this might seem like an impossible goal to meet. But with prayer, fasting, and alms giving....All things are possible with God!

A sincere thank-you for your continued prayers for success in this endeavor!

### The Feast of Christ the King – November 26

The Feast of Christ the King is, as Catholic feasts go, a relatively recent one. It was established by Pope Pius XI in 1925, to remind Catholics that Jesus Christ is Lord of the Universe, both as God and as Man.

Pius XI announced the feast in his encyclical *Quas Primas*, which was delivered on December 11, 1925. At the end of the encyclical, he declared that he expected three "blessings" to flow from the celebration of the feast.

*First*, that "men will doubtless be reminded that the Church, founded by Christ as a society, has a natural and inalienable right to perfect freedom and immunity from the power of the state."

*Second*, that "Nations will be reminded by the annual celebration of this feast that not only private individuals but also rulers and princes are bound to give public honor and obedience to Christ."

*Third*, that "The faithful, moreover, by meditating upon these truths, will gain much strength and courage, enabling them to form their lives after the true Christian ideal."

**May Jesus Christ reign as King of your Heart, Your Family and Your Home!**
