Mass Intention Book for 2027
will open on Tuesday,
September 15, 2026.
The Mass Stipend is \$15.

Purpose of Having a Mass Offered:

In Thanksgiving for a grace or favor received.

As an Intercessory Prayer for the living.
By offering a Mass for someone, you invite the grace of God's mercy, healing, and peace into their life or spiritual journey. Offered as a gift for a birthday, anniversary, feast day, or even the conversion of heart.

A Mass offered for a deceased loved one is a way to honor their memory and to pray for their purification and readiness for eternal life. The Catechism states that the Church has always honored the dead and offered prayers in their behalf, especially the Eucharistic sacrifice.

To start, only Mass Intentions for 5 Sundays will be accepted. This should give ample time for everyone to choose some Sundays for their personal Mass intentions.

September 15, Our Lady of Sorrow

EWTN, global catholic network

From the early days of Jesus' life, Mary suffered through these maternal pains and anxieties. With Simeon's prophecy, Mary knew that a sword would pierce her own soul. Soon thereafter, the Holy Family was forced to flee to Egypt to save Jesus from King Herod.

Also, the Blessed Mother and St. Joseph suffered the pain of Jesus remaining behind in the Temple for three days. With her Son entering upon His Mission the opposition of so many to Him, as recounted in the Gospels, must have been a tremendous sorrow for her.

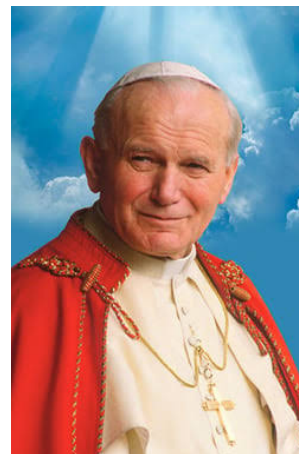

All of this culminated at the Cross.

The title *Our Lady of Sorrows*, therefore, honors the trials that the Mother of the *Suffering Servant* (Is 52) faced,

and, therefore, this feast follows immediately after the Exaltation of the Holy Cross. Like all feast days, this feast gives glory to God for the salvific work that He accomplished in one of His creatures, in this case, His greatest creaturely work, Mary. For Mary herself, her earthly maternal union of heart and soul with Her Son, in which she experienced both joys and sorrows, is now perfectly consummated in Heaven. However, her maternal love and union extend to us still here on Earth! As the Mother of Christ, she is also the Mother of the Mystical Body which is the Church.

St. Louis de Montfort said, *If you put all the love of all the mothers into one heart, it still would not equal the love of the heart of Mary for her children.* This means that she suffers for us as well, and we can turn to her as we would turn to our biological mothers, in both joys and sorrows.
